## Editor's bit....

P&B has dwindled again this month. I know it's rather a cliché to say that it's your magazine and we can't print anything unless you send it in. I've had a quick trawl through the Kirby archives and found a couple of shots from 1989.

I had a letter from one of the early stalwarts of HBRO, Roger Pattie, selling his Range Rover on the same day that I was leafing through some old photo albums and came across a picture of him taken on the North Yorkshire Moors. The photo shows Roger standing beside the same Range Rover, only 2 or 3 years old at the time (the Range Rover, not Roger.).

### This month...

#### Regulars:-

- Duffett's Dirty Dottings
- Social Secretary's news.
- HBRO Committee Meeting Minutes from the secretary.
- Spares and Vehicles For Sale.
- Events Diary.

#### Articles:-

- AGM details and agenda.
- Christmas Dinner.
- Event results.
- Christmas Dinner booking reminder and Menu
- Plus the usual assortment...

I started off with "it's your magazine". To continue on that theme I'll now say "it's your club". Yes, I'm talking about the AGM. We need a new Competition Secretary and some more support for the other officers of the club. Bob Davis planned ahead and has left a few events ready to run. After that there will be no more events unless we can find someone to organise them.

Steve Kirby.

In order to get the newsletter to you by a reasonable time, everything must get to me by the 20th of the month absolute latest. If you are posting something to me, give me a call to let me know it's coming in case it gets delayed or mis-routed. If you have a PC, you can send articles on 3½" disc or CD (I can return the disc afterwards if needed) or by e-mail. If you send an attachment with the e-mail, please use Microsoft Word (up to version 2000), Publisher (up to version 2000), plain Text (\*.txt file), or Rich Text Format (\*.rtf file) preferably. Please include a brief explanatory message in the e-mail.

# Duffett's Dirty Dottings!!!!

Hi all

Just remembered I have got to do my doings early this month as we are away on a fortnights holiday tomorrow and I won't be back in time to get this to Steve and into October's magazine.

The summer rally [Summer? Is it supposed to be wet'n'windy] had the usual crowd caravanning on the scenic slopes of Bow Hill Farm. Slopes being the operative word, it was interesting to see how people had different ways of levelling their caravan, including blocks of wood, spare wheels and axle stands.

As we arrived at lunchtime on Friday it decided to rain and blow hard, the rain stopped after an hour, but the wind didn't, it continued at several levels of force all weekend.

Setting out the RTV trial on Saturday went well, Sunday arrived and so did several new faces, including a new member with road tyres [on his 90 that is]. This is going to be worth seeing!! A lot of the sections had quite steep uphill finishes. The marshals only had to winch him twice which says a lot for the capability of the vehicle.

Monday's Tyro again attracted some new faces to the competition. When the running order was called out the first person to go asked WHAT DO I DO?? So after some panic reshuffling of the line up and a hurried explanation of procedure [in other words watch the others] we moved on. At the end of the day this newcomer came 2<sup>nd</sup> place overall. That's what I call a learning curve!!!

All in all a good weekend and good to be back at this picturesque site.

I would like to invite you all to the AGM, FREE BUFFET and QUIZ night on Saturday 30<sup>th</sup> of October. Come along vote or nominate for your committee I will be pleased to see you.

Don't forget to book your Christmas dinner with Maureen.

Must go now. Have I packed my bucket and spade?

See you in 2 weeks  
Hugh Duffett

## CALLING for a New COMPETITION Sec

Your Club needs a new Comp sec as I am about to resign.

Oh No I hear you all say what shall we do all is lost. (Or is that a loud cheer I hear)

The dreaded work commitment has caught me up and from the end of July the committee will need extra help in running the events. I have enjoyed the role of comp sec and I feel that we have run more events in the last 12 months than ever before. (Hopefully we have run the types of event the membership wants)

All bar 1 of the events up to End of December are fully documented so its just the organising of people and equipment that's required.

I still have a month left and would like to hand over the mantel to a willing volunteer who would stand up for the post in the October AGM.

Please stand up and be counted and if you are interested contact me.

Maximum Bob

# The HBRO 3<sup>rd</sup> Mike Wolfe Challenge Event"

Well, by now surely (unless you are a 'new joiner' to the HBRO or have been hiding on another planet) you will know about these events ?

But, just in case you don't, or need that 'extra' incentive to 'get up and enter'..... here's a overview of this event, at the fabulous "Minstead" site, near Junction 1 of the M27, 24<sup>th</sup> October 2004....

There are only 2 possibly 3 of these per year, so miss it and kick yourself its going to be some months before the next one....

Like last time we will have both 'ARC' and 'NON ARC' classes for you to enter, on your own as a 'Team of 1', or with a team mate as a 'Team of 2', a minimum of 1 winch per team is enough to enter.

The **ONLY** vehicles allowed on the site on the day are competitors, Marshals and officials, **NO spectator vehicles are allowed**, (foot spectators welcome) this gives entrants the run of the site.

As a entrant you can drive around the 300 acres all day (only a few parts are out of bounds and will be marked ) accompanied by your marshal, you'll be looking for the "Punches" hidden around the site for you to chose which to complete and do, there are EASY MEDIUM AND HARD, if you don't fancy the look of one then move on and find one you do...

There will be around 25 punches hidden around the site (yes hidden !) details on the day, you can do as few or as many as you want to in the time allowed...and with max of 15 teams you'll never be waiting !!

There is a full briefing pack available,.... phone me on 07909 973163, or better still e-mail me on [nigelbarker@btopenworld.com](mailto:nigelbarker@btopenworld.com) and I'll ping it, and an entry across to you.

Entry is £35 per vehicle, and **IS PREBOOKED ONLY** this will cover you and your passenger, (and you must be a paid up member of HBRO, if not then its £35 plus membership ! )

Places are limited, probably to a max of 15 teams, I have 10 solid team bookings already so when you have read this think,

...would you like to enter ?

...if so then do something positive about it NOW !!

...e-mail me or ring me !!!!

The event is suitable for all levels, 1<sup>st</sup> timers or experienced teams.

This is designed to be as 'non damaging' as possible (maybe I'll say "with poss except hard sections" ), although we can't guarantee it ..but '1<sup>st</sup> timers' who entered last time loved it so much they are back again....

Well, must go, loads to do and get sorted for the event, if you have any thoughts that you might just enjoy this day out, driving, thinking, winching and learning so much about you and your vehicle then e-mail or fax me now, the next one will be at least 6 - 8 months away into 2005.....

Oh and Marshals, we need you please !, an E-mail saying you're available would be great, we will be having a Marshals briefing prior to the event, as we have a few surprises for the competitors which we need to explain to you, and just like entrants **MARSHALS ARE ALSO PRE BOOKED TOO !**.

Those who marshalled last time equally I know had a great day, on a positive Note 'polish those dents' as we have a Land rover Magazine in attendance, and on a slightly negative note bring waterproofs as Mr Ed "Oh look its raining again" Ellis is joining us as a "Winch Bitch" in Team 2

Come on then; you know you want to...

Nigel Barker

## **Bonfire night**

Bonfire night will soon be here for all of us to enjoy, (Saturday 6 November) last year we had a good turn out from our club members. How many Guy's will we have this year (last year we only had two) the more the merrier, there will be a prize for the best Guy (only for the children). There will be a BBQ with the good meats from the Jennings family. If all members who turn up for the Bonfire would bring with them one or more large fireworks this would make for a better night for all to see, if sparklers are used please do not leave the wire bits in the field as these fields are used by animals.

There is also camping at this event a good chance to meet and socialize with other members and if you camp you will not have that long drive to get to the site for the RTV on Sunday, just wake up, get out of bed, have a good breakfast and do the trial.

Looking forward to seeing lots of members at the fireworks and the RTV, it should be a great weekend for all to see and enjoy

We would like to thank Mark (for the bonfire) and his father for allowing HBRO the use of their land .

Regards  
Maureen Keen  
Social Secretary

For those people that are helping on Saturday and can help on Saturday evening will be provided with a meal also.

### **ROAD MASTER - 20th to 21st November**

This is BAFMA's premier driving event which brings their season to a close.

This event will be held at Thetford in Norfolk. Over the weekend of 20th -21st November.

It is also good to be able to have some excellent off-roading on areas we would not normally be able to go on to.

So if you can help on the setting out days or during the actual events, please contact me and let me know what help you can provide.

## **Roger Albert Clark Rally 2004**

*"Re-live the Memories"*

Dear Motor Club

As you will probably know the Roger Albert Clark rally is taking place over the 20<sup>th</sup> to the 23<sup>rd</sup> November 2004.

The event was born from requests by marshals and competitors over the last couple of years who wanted to get back to the basics of rallying by an event touring the country, as the old style RAC Rally did.

Entries for the event are coming in well with names of Hannu Mikkola and Stig Blomqvist already entered, as well as many of the leading names in the Armajaro MSA British Historic Rally Championship, we also have entries from Spain, Belgium, and Austria.

To help supplement the marshals who have currently offered their help we also need your motor club members, as marshals for the event.

The event is running 25 special stages and over 170 competitive stage miles.

If your club would like to take charge of a stage, then the event are offering the club a financial donation towards help running the stage with the remainder of the money to go into club funds.

The event is looking at putting together an exceptional 'goody' package for the marshals, and a substantial budget has been agreed for this use. When the exact package is finalised it is hoped that it will be announced in the Motorsport News.

If your club or individual members would like to come out and marshal on the event please send an email to [marshals@delacymc.co.uk](mailto:marshals@delacymc.co.uk) detailing the stage(s) you would like to go to, or the day(s) you are available, the number licensed marshals and the call signs of any 81 radio operators and we will try and accommodate everybody.

If you do not have access to email then please contact the Rally Office on 01977 518522.

## Disclaimer

Views and opinions expressed in this publication are not necessarily those of the Club or its Committee. You should seek to verify any information, data or technical information especially where safety, finance or legislation matters are concerned.

All business advertisements in *Pants & Barks* are placed on a commercial basis by the companies and individuals concerned. The inclusion of an advertisement is not an endorsement by *Hants & Berks Rover Owners* of the company concerned or its products and services.

## For Sale

Note that small ads are free but please let the editor know when a sale is complete so we don't keep printing an out of date ad each month. I know I forget sometimes so you may need to remind me more than once! Please help potential customers by quoting location (nearest large well-known town), phone number with full national dialling code, fax, e-mail, etc in your adverts. All the following adverts are dated with their first month of publication. When they become 3 months old, they will be deleted unless the "owners" renew them! Please don't just leave an old advert to "time-out", Thanx.

HBRO accepts no liability for the accuracy of the descriptions or the serviceability or suitability of items or services advertised in this section.

Commercial Adverts:- Contact Jenny Davis, address inside front cover, for advertising rates. Current newsletter circulation is around 300. Adverts are marked with the start date so you know when their time is up!

- Entries to be on an official HBRO entry form whenever possible.
- ARC rules and HBRO Supplementary Regulations apply. 2002 ARC Handbooks are available to all HBRO members. (There isn't a 2003 ARC Handbook. Use the Vehicle Regulations on the yellow pages; page 65 onwards.)
- All HBRO RTVs are qualifying rounds for the "Red Leader Shield" (standard class Leaf sprung LRs), the "Pilot Trophy" (Standard Range Rover) and the "Performance Trophy" (for 90s)
- When you come to help set out the sections on the day before the competition, please find the Clerk of the Course (or whoever is in charge at the time) and sign on the attendance sheet. The event insurance covers those members setting up the event and is there for your benefit; but it is valid only if you sign to say that you are there.
- Please help to marshal the event. Attend the marshals briefing and then ask an experienced marshal for guidance on how to score and how to assist in the safe running of the event. We'll show you how to score if you've not done it before. A Marshalling Guide booklet is available on request.
- If you are interested in scrutineering, please ask to accompany one of the scrutineers on the day. They'll show you how the checks are done and what to look for. A Scrutineering Guide booklet is available on request.
